

## LOCAL TRAINING AND RESOURCES

## LOCAL AREA KNOWLEDGE

For local area knowledge the best way is to get out on the tracks and trails that make up the LandSAR Wellingtons search region.

This includes;

- \* Akatarawa Forest Block & the Southern Tararuas,
- \* Rimutaka Forest Park,
- \* Makara,
- \* Belmont Regional Park,
- \* Eastbourne etc.

## CONSIDER JOINING LOCAL TRAMPING GROUP

Please consider joining these groups if you are unsure of your own wilderness skills, capabilities or are looking to extend your personal tramping experience. These clubs may have some of our members in.

Don't join them to join SAR. Join them to connect to other people passionate about the outdoors and enjoying the escape our amazing Wellington environment has to offer.

## ROGAINING

LandSAR Wellington members are regulars at these Rogaining events

Attend regular urban events around Wellington to test your map reading skills and ability to cover terrain.

Ranges from 1-2 hr family events to 3 hour afterwork events. Approx cost is: \$20 a session- check the website for current pricing.

Doesn't use gps or compass - but is great fun!
